# A Psalm for Palm Sunday

King Jesus  
 why did you choose  
 me  
 a lowly unimportant person  
 to bear you  
 in my world today?  
 I'm poor and unimportant  
 trained to work  
 not carry kings  
 —let alone the King of kings  
 and yet you've chosen me  
 to carry you in triumph  
 in this world's parade.  
 King Jesus  
 keep me small  
 so all may see  
 how great you are  
 keep me humble  
 so all may say  
 Blessed is he who cometh  
 in the name of the Lord  
 not what a great ass he rides.  
 —Joseph Bayly in Psalms of My Life

### God did it all

If I could give you information of my life it would be to show how a woman of very ordinary ability has been led by God in strange and unaccustomed paths to do in His service what He has done in her. And if I could tell you all, you would see how God has done all, and I nothing. I have worked hard, very hard, that is all; and I have never refused God anything. — *Florence Nightingale, quoted in My Heart Sings*

**The Three Crosses** by Rembrandt is hanging on the North wall of our sanctuary. This reproduction of his etching was done by our member, Greg Fox. Gregory Fox started his interest in art by winning Orange County's maiden "Color It Orange Contest". This was the beginning of eight years of collegiate education starting at Loma Linda University and ending at Art Center College of Design in Pasadena. His professional work has taken many tracks including extremes in intaglio art, computer generated design, holography, eight years as an art director.

### Health Nugget

Eating berries can lower your risk of heart disease significantly. A study of nearly 94,000 women found that those who ate three or more servings of blueberries and strawberries a week had a 32 percent lower risk of heart attack.

With peak mosquito season here, it's important to remember they spread diseases to humans and animals. Electric fans are an effective way to keep mosquitoes away from people and pets in the backyard. If you're unlucky enough to get bitten, a dab of simple household ammonia will counter some of the chemical reactions that make your skin itch.
