The CROSS Trainer

The CROSS Trainer will be responsible for investing in, training, and inspiring church members to be involved in a life of evangelism. Areas of focus will be training in Bible studies, generating spiritual interest, literature evangelism, friendship evangelism, and coordinating health events. The CROSS Trainer will also be responsible for preparing church members to receive & nurture new believers in their newfound faith. An area of deep concern for the CROSS Trainer is not solely the attendance of new believers and regular members to church on Sabbath, but the necessary Transition of each one into an active, integral part of God's last day movement.

Purpose

1. Invest in church members.
"Leaders touch a heart, before they ask for a hand." - John Maxwell
2. Plan and execute effective training events for members.
3. Involve church members in current Bible studies and other ministry.
4. Prepare regular members to nurture new members & visitors.
5. Enhance spiritual growth of members and contacts.

Health Nugget

A 15-minute walk after eating can lower your blood sugar level for hours, and significantly reduce your risk of diabetes.

More important, taking a short walk after meals can be much more effective at preventing blood sugar spikes than taking one 45-minute walk daily. And what better way to get started than National Walking Day on April 2nd?!
