## THEME OF WORSHIP: I Serve God When I Tell Others About Him

"Leaving her water pot, she returned to the city, to carry the message to others .. With heart overflowing with gladness, she hastened on her way, to impart to others the precious light she had received . . . Her words touched their hearts. There was a new expression on her face, a change in her whole appearance. They were interested to see Jesus" (The Desire of Ages, p. 191).

"The gospel invitation is not to be narrowed down, and presented only to a select few, who, we suppose, will do us honor if they accept it. The message is to be given to all." (ibid., p. 194)

### Health Nugget

**There are powerful nutrients in food designed to give us optimal health and harmful foods that can cause disease.**

Think of nutrition as a symphony. If you are conducting an orchestra, you want the best possible musicians and instruments. There's no room for off-key notes, broken strings, or anything else that jeopardizes the quality of the music. To create a musical masterpiece, you want only the best.

The same is true with nutrition. If you want to experience optimal health, you need the best possible nutrients. By eliminating unhealthy foods from your diet and replacing them with a wide assortment of delicious, health-promoting foods, you can create a nutritional masterpiece.
