IMPORTANT! PLEASE NOTE! With the recent lane changes on Temple Way, it is imperative that everyone be very cautious when leaving the church driveway onto Temple Way being sure to stay within the correct lane. The lanes are now much narrower and there isn't the same room for wide turns onto Temple Way.

Congratulations to the Durrett Family on the birth of Celine Alana Durrett born on June 28, 2016, weighing in at 8 lbs and 20 inches! We're sure Daniel and Caleb are thrilled to have a little sister!!

In light of the recent weeks' events with all the suffering experienced by so many, you will find encouragement and hope in this video sermon with David Asscherick (from his Why God? series) <https://www.youtube.com/watch?v=98Sg3JVBTYQ>

THEME OF WORSHIP

VBS Spotlight

This week, the children will be learning about how Jesus is the light of the world. If you would like to study along with them, here's what they're learning:

Jesus gives us hope.
John 1:1-34
Isaiah 9:2

Jesus gives us courage.
Matthew 14:22-36

Jesus gives us direction.
Matthew 5-7

Jesus gives us love.
Luke 23:1-24:12

Jesus gives us his power.
Acts 1:1-11

Meet Brandon Palar

When I was at a younger age, I never really enjoyed going to church. My parents and other family members always told me it's important to go to church and that I have to keep the Sabbath day holy. But I didn't quite understand why and what the Sabbath day was. As I grew older and learned more about God, the more I started to understand and that I still have much to learn. Pathfinders Club has been a great experience for me and baptism class with Mr. Walker made me realize that I want my relationship with God to grow stronger and decided to get baptized. Please pray for me as I'm still in the learning process and want to learn more. Thank you for all your support, God bless.

Health Nugget

CELEBRATE Wholeness and Health

Simple steps lead to amazing results!

AIR sustains the body with oxygen—breathe deeply and be invigorated. Take intentional breaks during worktime to breathe deeply—outdoors, if possible. This helps obtain optimal respiration, ventilation, and blood flow through the lungs.

TEMPERANCE implies balanced living—avoid the harmful and use the healthful wisely. Harmful substances include alcohol and tobacco, leading killers in the world today.
