THEME OF WORSHIP

Peace in the Storm

Commit your way to the Lord, trust also in Him, and He shall bring it to pass.

Psalm 37:5

During a terrible storm on the ocean, a small passenger ship rolled precariously in the roaring tempest. The furniture and anything else that could move was tied down, and the passengers were confined to their bunks for their own safety. Many on board thought the vessel was doomed.

Finally, a passenger who was determined to find out if there was any hope for survival set out to see the one who was in command. Clinging to the walls and handrails, he made his way to the wave-lashed deck, up a ladder, and into the wheelhouse. He noticed that the ship was nearing land and was between some jagged rocks. It became apparent that the captain was trying to reach the safety of a calm bay up ahead.

Knowing he could not make himself heard above the roar of the wind and waves, the captain just turned wordlessly to the worried passenger and smiled. Reassured, the man returned to the others and said, “Don’t be afraid. All is well. I’ve seen the captain’s face, and he smiled!”

When we are battered by the storms of life, we may be tempted to give in to feelings of hopelessness. But if we look to our sovereign Captain and commit our way to Him (Psalm 37:5), we will find peace even in the midst of turmoil. We can trust Him to bring us through the storm. — HGB

Boost Your Flu IQ

Like clockwork, the flu virus shows up each October, making millions of people miserable until it loses steam sometime in May. Symptoms of flu—which include fever, cough, sore throat, a runny or stuffy nose, muscle aches, headaches and fatigue—aren’t just annoying. They can be downright serious. So what can you do to beat the flu?

3. Stop Touching Your Face. One study reported that people touched common surfaces 3.3 times per hour and their mouth and nose 3.6 times per hour. Touch a contaminated surface, such as an ATM, a doorknob or a computer keyboard, and then your mouth, eyes or nose, and you’re laying down the welcome mat for the flu virus and other bugs.
4. Stay Away From Sick People. . .
