

Church Life

Welcome to the West Covina Hills SDA Church Family!

We pray you will hear God speak to you through various ways and through His people. If you don't have a church home we would love to have you consider making us your church home. **Guests and members please share with us your presence and any other information on the Communication Card in the pews and place them in the offering plate, thank you!**

We also have wireless services for the hearing impaired.

Theme of Worship

The Highest Honor, the Greatest Joy

God is the source of life and light and joy to the universe. Like rays of light from the sun, blessings flow out from Him to all the creatures He has made. In His infinite love He has granted men the privilege of becoming partakers of the divine nature, and, in their turn, of diffusing blessings to their fellow men. This is the highest honor, the greatest joy, that it is possible for God to bestow upon men. Those are brought nearest to their Creator who thus become participants in labors of love. He who refuses to become a “laborer together with God,”—the man who for the sake of selfish indulgence ignores the wants of his fellow men, the miser who heaps up his treasures here,—is withholding from himself the richest blessing that God can give him.—The Review and Herald, December 6, 1887.

19 After a long time the lord of those servants came and settled accounts with them.

20 “So he who had received five talents came and brought five other talents, saying, ‘Lord, you delivered to me five talents; look, I have gained five more talents besides them.’ 21 His lord said to him, ‘Well done, good and faithful servant; you were faithful over a few things, I will make you ruler over many things. Enter into the joy of your lord.’ Matthew 25:19-21 (NKJV)

Health Tips for the New Year

Tip # 5

Talk to your doctor about taking aspirin for heart protection but don't assume that it's right for you. A recent clinical trial suggested that healthy women younger than age 65 don't get heart protection from aspirin. Women who are the best candidates for long-term aspirin are age 65 or older or have a history of cardiovascular disease or diabetes. And be aware that aspirin has some serious risks, including gastrointestinal bleeding.
